(2)   The   Administration shall set the hearing
for   a date within   30   days of the driver's detention.
However, the hearing may   be   held   at   any   other   time
~~within the 30-day period~~ on agreement of the   driver and
the Administration~~, and may not be held after the 30-day~~
~~period except on good cause shown to the satisfaction of~~
~~the Administration~~.

(3)   At   the hearing, the   driver may present
evidence about his refusal to take the test and   may   be
represented by an attorney.

(4)   After   the   hearing, the Administration
may suspend the   driver's license or privilege to   drive
for   not   more   than 60 days. Failure of the driver to
attend   the   hearing   is prima facie evidence of his
inability   to   answer   the   sworn statement of the police
officer, and the Administration   summarily   may   suspend
his license or privilege to   drive   for not   more than 60
days.

(f)   Court review   of   suspension   of   license   or
privilege to drive.

If the Administration imposes a suspension   after   a
hearing,   the   individual   whose   license or privilege to
drive has been suspended may   appeal the final   order   of
suspension   as   provided in Title 12, Subtitle 2 of this
article.
