

"revise", "administer", and "enforce" these regulations is deleted as unnecessary since that power is implicit in the authority to "adopt" these regulations. Also, the phrase "to protect the aerial approaches" is added for clarity and to conform to the similar provision in §5-502(a) of this title.

In subsection (a) of this section, the present references to an airport "licensed by the Administration" are deleted as unnecessary in light of the definition of "airport" in §5-601 of this subtitle.

The only other changes are in style.
