

only the reestablishment of land boundaries, the division of said lands, and the plotting of lands and subdivisions thereof, and shall include plotting topography and contours; but shall not include the determining drainage of streets and roads and providing for storm drainage systems.]

[(1)] (G) [The term "responsible charge," within the meaning and intent of this article, shall mean] "RESPONSIBLE CHARGE" MEANS the direct control and personal direction of the investigation, design, construction or operation of engineering work [or of land surveying work] requiring initiative, professional skill and independent judgment. Responsible engineering [or land surveying] teaching may be construed as responsible charge of important engineering [or land surveying] work.

3.

(A) A State Board of Registration for Professional Engineers [and Professional Land Surveyors] is created as part of the Department of Licensing and Regulation. [It]

(B) THE BOARD shall administer the provisions of this article.

(C) The Board shall consist of [four professional engineers, a professional land surveyor and a member of the general public, all of whom shall be] FIVE MEMBERS appointed by the Governor with the advice of the Secretary of Licensing and Regulation and the advice and consent of the Senate AND HAVING THE QUALIFICATIONS SPECIFIED IN § 4 OF THIS ARTICLE. OF THE FIVE MEMBERS, ONE EACH SHALL BE A MEMBER FROM THE PUBLIC, A CIVIL ENGINEER, A MECHANICAL ENGINEER, AN ELECTRICAL ENGINEER AND A CHEMICAL ENGINEER. The engineers [and the land surveyor member] shall be selected from lists of not less than three nominees recommended by each of the following: the Maryland chapter or section of the American Society of Civil Engineers, the American Society of Mechanical Engineers, the Institute of Electrical and Electronic Engineers, AND the American Institute of Chemical Engineers[, and the Maryland Society of Surveyors. The engineer and land surveyor members shall have the qualifications required by §4. The Board shall consist of one civil engineer, one mechanical engineer, one electrical engineer, one chemical engineer, one land surveyor, and the public member].

(D) Each member of the Board shall receive a certificate of his appointment from the Governor and before beginning his term of office shall file with the Secretary of State his written oath or affirmation for the faithful discharge of his official duty. On the expiration of the term of any member, the Governor, with the advice of the Secretary and the advice and consent of the Senate [shall, in the manner hereinbefore] AS provided IN SUBSECTION (C), SHALL appoint for a term of
