

[(k)] (H) The execution, as a contractor, of work designed by a professional engineer [or a professional land surveyor,] or the supervision of the construction of such work as a foreman or superintendent[, shall] IS not [be deemed to be] the practice of engineering [or land surveying].

[(l)] (I) Any person having the necessary qualifications prescribed in this article to entitle him to registration [shall be] IS eligible for [such] registration although he may not be practicing his profession at the time of making his application.

13.

(a) The registration fee for professional engineers [shall be thirty-five dollars, twenty dollars] IS \$35, of which \$20 shall accompany the application[, the remaining amount to] AND \$15 SHALL be paid upon issuance of the certificate.

(b) The fee for engineer-in-training [or land surveyor-in-training shall be ten dollars,] IS \$10, which shall accompany the application and shall include the cost of examination and issuance of the certificate. When application for registration as a professional engineer is made by an engineer-in-training who is certified in this State, an additional fee of [twenty-five dollars] \$25 shall be paid, [ten dollars] of \$10 which shall accompany the application and [the remaining amount] \$15 shall be paid upon issuance of the certificate as a professional engineer.

[(e)] (C) Certificates of registration shall expire on the last day of June following their issuance or renewal, and shall be invalid after that date unless renewed. [It shall be the duty of the] THE secretary of the Board [to] SHALL notify by regular mail every person certified [hereunder] UNDER THIS ARTICLE of the date of expiration of his certificate, and the amount of the fee required for its renewal for one year. [Such] THE notice shall be mailed to the registrant at his last known address at least one month in advance of the date of the expiration of [said] HIS certificate[; however, failure]. FAILURE to receive [such] THE notice [shall] DOES not prevent the certificate from becoming invalid after the expiration date. Renewal may be effected at any time prior to July 1 by the payment of a \$10 fee [of ten dollars] for professional engineers [and ten dollars for professional land surveyors and five dollars for property line surveyors]. Renewal shall be evidenced by the issuance of an annual registration card, bearing the date of expiration and the signatures of the chairman and secretary of the Board. Upon failure of any registrant to renew his certificate annually prior to July 1, as required above, his right to practice shall be invalidated, but [such] THE certificate may be renewed at
