

all requirements of this article. In the case of a professional engineer, the certificate shall authorize the "practice of engineering." In the case of an engineer-in-training [or land surveyor-in-training], the certificate shall state that the applicant has successfully completed the examination in fundamental engineering [or land surveying] subjects required by the Board and has been enrolled as an "engineer-in-training" [or "land surveyor-in-training." In the case of a professional land surveyor, the certificate shall authorize the "practice of land surveying" and in the case of a property line surveyor, the certificate shall authorize the practice of property line surveying]. Certificates of registration and certificates as engineer-in-training [or land surveyor-in-training] shall show the full name of the registrant, shall have a serial number, and shall be signed by the chairman and the secretary of the Board under seal of the Board.

(b) The issuance of a certificate of registration by the Board shall be prima facie evidence that the person named [therein] IN THE CERTIFICATE is entitled to all the rights and privileges of a professional engineer[, or of a professional land surveyor,] while the [said] certificate remains unrevoked or unexpired.

(c) Each registrant [hereunder] UNDER THIS ARTICLE is entitled upon registration to obtain a seal of the design authorized by the Board, bearing the registrant's name and the legend "registered professional engineer" [or "registered professional land surveyor."]. This seal is for the personal use of the registrant only. Plans, specifications, plats and reports prepared by a registrant shall be stamped with the [said] seal or ITS facsimile [thereof] and signed by the registrant when issued to any clients or when filed with public authorities during the life of the registrant's certificate. Any [such] plans, specifications, plats and records [which] THAT are not so sealed and signed [shall] MAY not be accepted by any public authority.

16.

The Board may issue a temporary permit to practice engineering [or land surveying] to a person WHO IS not a resident of and [having no] DCES NOT HAVE A place of business in this State[, provided such] IF THE person is legally qualified by registration to practice engineering [or land surveying, as defined in §§ 2 (d) and 2 (h) of this article,] in his own state. [Such] THE person shall make application to the Board in writing and after payment of a fee not to exceed [twenty-five dollars (\$25.00)] \$25, may be granted a written permit for a definite period of time not to exceed one year to do a specific job[; provided, however, no]. HOWEVER, THE right to practice engineering [shall] DOES NOT accrue to [such] AN applicant with respect to any other work not set forth in [said] THE permit.
