REVISOR'S NOTE: This section presently appears as Art. 64B, §9.

Throughout this section, the term "Administration" — rather than "Administrator" — is substituted for "Board". This conforms to the references in present Art. 64B, §10 (now §7-302 of this subtitle) to the "Authority" (i.e., the Administration; cf., revisor's note to §7-101(d) of this title). The only other changes are in style.
