

(a) [A] THERE IS A Scenic and Wild Rivers Program [is created and continued]. The following rivers, including their tributaries, are the initial components of the State scenic and wild rivers system: The Anacostia, Deer Creek (Harford County), Monocacy, the Patuxent, Pocomoke, Potomac River in Montgomery and Frederick counties, Severn, Wicomico in Charles County, and Youghiogheny.

8-403.

(a) [A] THERE IS A Scenic and Wild Rivers Review Board [is created and continued]. The Board consists of the secretaries of Natural Resources, State Planning, and Agriculture. The members of the Board shall select the chairman. A member of the Board may not receive any compensation for his services but shall be reimbursed for necessary travel expenses and disbursements made in order to attend any meeting or perform any other official duty.

8-502.

[The] THERE IS A Maryland Potomac Water Authority [is created and continued], ESTABLISHED as a governmental unit and body politic and corporate, vested with the authority granted under the Constitution and laws of the State. It has and shall exercise authority to conserve, control, and use for beneficial service storm and floodwaters of the rivers and streams of the Potomac River watershed in the District. The Authority may adopt and use a corporate seal, contract, sue and be sued, and perform any other corporate act to carry out this subtitle.

8-607.

(a) [The] THERE IS A Maryland State Board of Well Drillers [is created and continued within] IN the Department.

8-707.

[A] THERE IS A Waterways Improvement Fund [is created and continued] for the purposes specified in this subtitle. Except as provided in §8-709, any money received into the Waterways Improvement Fund shall be used solely for the following projects.

(1) Marking channels and harbors and establishing aids to navigation in cooperation with and as an extension of operations of the United States Coast Guard;

(2) Clearing debris, aquatic vegetation, and obstruction from waters of the state;

(3) Dredging channels and harbors and
