

As to the substitution of "Administration" for present references to the State Roads Commission and its chairman, see §8-207 of this subtitle and its revisor's note.

The reference in present Art. 89B, §3(a) to the required "approval of the Secretary" is deleted as unnecessary in light of §8-203 of this subtitle.

The reference in present Art. 89B, §40 to the employment of "attorneys" is deleted as obsolete and as inconsistent with §2-106 of this article, Art. 32A, §5 of the Code, and present Art. 89B, §3B (as to the last, see General Revisor's Note to this title). As to special attorneys required from time to time, the current practice of both the State Highway Administration and the State Roads Commission is to obtain their services in accordance with the general requirements of Art. 32A, §5 of the Code.

The fourth sentence of present §3(a), which provides for removal of employees as "hereinafter provided" is deleted as superfluous. Other than certain specific references to Art. 64A of the Code, there are no "hereinafter provided" removal provisions.

As to the employment of personnel generally, see, also, §2-102 of this article. As to the employment of architects and engineers, in particular, see, also, Title 2, Subtitle 3 of this article.
