

(11) TO THE DIRECTOR OF HIGHWAYS OR THE CHAIRMAN OF THE STATE ROADS COMMISSION, MEANS THE ADMINISTRATOR.

REVISOR'S NOTE: This section is new language derived in part from Art. 41, §207F(a) and revised and expanded to conform to similar provisions appearing in this article as to various Departmental units that have succeeded to the powers of former agencies (cf., e.g., §§ 6-213 and 7-212 of this article).

References to the State Roads Commission and its chairman are added to this section to recognize the executive reorganization that made the Commission a unit of the Administration (see, §8-210 of this subtitle) and - except as noted in the introductory clause added to this section - subject to the general authority of the Administrator (see, §§ 8-202(b) and 8-203 of this subtitle) and the Secretary (see, e.g., §2-103(f) and (g)).

Accordingly, throughout this article - except as noted in the introductory clause to this section - present references to the State Roads Commission and its chairman have been changed to refer, more generally, to the Administration or the Administrator. Of course - as recognized by the introductory clause added to item (2) of this section - these changes do not preclude the Administrator or the Secretary from delegating to the Commission any of the powers and duties of the Administration that they consider appropriate; in this regard, see, also, §8-218(a) (2) of this subtitle.

Although the revision of this article conforms all references to reflect the executive reorganization and transfers of authority, obsolete references may remain in other articles of the Code as well as in various rules, regulations, forms, and the like. For this reason, this section, as revised, is retained.
