(House Joint Resolution 30)

A House Joint Resolution concerning

Joint Personnel Policy Committee

FOR the purpose of requesting the General Assembly to create a Joint Personnel Policy Committee to assume duties to include, but not be limited, to those duties formerly assigned to the Joint Committee on the Personnel Management Study.

WHEREAS, The Joint Committee on the Personnel Management Study was created to supervise the implementation of a consultant's recommendations for improvements in the Department of Personnel; and

WHEREAS, The Joint Committee on the Personnel Management Study has been requested to conduct an analysis of Statewide Compensation Practices; and

WHEREAS, The Joint Committee on the Personnel Management Study has been requested to conduct interim studies of many pieces of personnel-related legislation; and

WHEREAS, Neither the implementation of the consultant's recommendations nor the study of Statewide Compensation Practices has been completed; and
