Senate Bill No. 38 - Transportation -
Right Turns at Red Lights

AN ACT concerning

Transportation - Right Turns at Red Lights

FOR the purpose of permitting certain right turns under certain circumstances at intersections even though there is a steady red signal.

May 26, 1977

Honorable Steny H. Hoyer
President of the Senate
State House
Annapolis, Maryland 21404

Dear Mr. President:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed Senate Bill 38.

This bill permits vehicular traffic facing a steady red light to make a right turn under certain conditions.

House Bill 547, which was enacted by the General Assembly and signed by Lieutenant Governor Blair Lee III in his capacity as Acting Governor on May 17, 1977, accomplishes the same purpose.

Therefore it is unnecessary for me to sign Senate Bill 38.

Sincerely,
Marvin Mandel
Governor
