

COMMISSION ORIGINALLY PAID FOR THE LAND, PLUS REASONABLE INTEREST AND ADMINISTRATIVE COSTS.

REVISOR'S NOTE: This section is new language that combines and clarifies the respective priorities of Art. 89B, §6 and the last sentence of §208.

In the first sentence of subsection (b) (2) of this section, the phrase "amount equal to the consideration ... paid for the land" is substituted for the present, somewhat unclear, "original or book value"; the revised language reflects actual practice. The last sentence of subsection (b) (2) is new language added to clarify what happens if the right of first refusal is not exercised.

In subsection (c) (4) of this section, the informational requirements for both the sign and the published notice are conformed.

In subsections (e) and (f) of this section, an exception as to property from an abandoned project is added. This is required by the inclusion, in subsection (b) (2) of this section, of the requirements of present Art. 89B, §208 as to first refusal.

Art. 89B, §6(3), which provides for the disposition of money received from the sale of property under this section, is deleted as obsolete in light of §3-216 of this article, which requires the deposit of all Departmental funds in the Transportation Trust Fund.

The only other changes are in style.

As to subsection (b) (2) of this section, it should be noted that no time period is specified within which a prior owner must exercise his right to reacquire property from an abandoned project. Clarification might be appropriate.
