Senate Bill No. 809 - General Construction Loan - 1974

AN ACT concerning

General Construction Loan of 1974

FOR the purpose of amending the General Construction Loan of 1974 and making these amendments in order to alter the use of monies therein appropriated for the Department of Economic and Community Development for the Maryland Historical Trust for grant to the City of Baltimore for the acquisition and/or restoration of historic facilities included in the National Register to permit all or any portion of these monies to be used for the restoration of the Washington Monument in Baltimore City.

May 26, 1977

Honorable Steny H. Hoyer
President of the Senate
State House
Annapolis, Maryland 21404

Dear Mr. President:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed Senate Bill 809.

This bill amends the General Construction Loan of 1974 to allow the moneys appropriated for acquisition and restoration of historic facilities in the National Register to be used for restoration of the Washington Monument.

House Bill 1543, which was enacted by the General Assembly and signed by Lieutenant Governor Blair Lee III in his capacity as Acting Governor on May 17, 1977, accomplishes the same purpose.

Therefore it is unnecessary for me to sign Senate Bill 809.
