

House Bill No. 418 - Patuxent Institution - Board
of Review

AN ACT concerning

Patuxent Institution - Institutional Board of Review

FOR the purpose of revising the membership of the Institutional Board of Review of Patuxent Institution and providing for substitute members under certain conditions.

May 26, 1977

Honorable John Hanson Briscoe
Speaker of the House of Delegates
State House
Annapolis, Maryland 21404

Dear Mr. Speaker:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed House Bill 418.

This bill revises the membership of the Institutional Board of Review of Patuxent Institution.

House Bill 907 is an Administration measure which was enacted by the General Assembly and signed by Lieutenant Governor Blair Lee III in his capacity as Acting Governor on May 26, 1977. It is a comprehensive revision of Article 31B and those related statutes dealing with the confinement and treatment of certain criminal offenders, formerly referred to as "defective delinquents". In accomplishing this major revision, House Bill 907 creates a new Institutional Board of Review of Patuxent Institution, including within its membership those persons who are the subject of House Bill 418.

Since the intention of the General Assembly has been accomplished by the enactment and signing of House Bill 907, it is unnecessary for me to sign House Bill 418.

Sincerely,
Marvin Mandel
Governor
