

Message.

The Secretary of Transportation has advised me that, in several of these instances, the new term, "person required to register a vehicle" will not suffice as a substitute for "resident", and that, if signed, House Bill 1198 could cause serious problems in the administration and enforcement of the Vehicle Laws. The Secretary has assured me, however, that the Department of Transportation will prepare departmental legislation to resolve the problem addressed by House Bill 1198 for introduction in the 1978 session of the General Assembly.

For these reasons, I have vetoed House Bill 1198.

Sincerely,
Marvin Mandel
Governor
