

This bill authorizes a \$750,000 State debt to assist in constructing and equipping a Calvert County Jail Facility.

Senate Bill 654, which was enacted by the General Assembly and signed by Lieutenant Governor Elair Lee III in his capacity as Acting Governor on May 26, 1977, accomplishes the same purpose.

Therefore, it is unnecessary for me to sign House Bill 1313.

Sincerely,
Marvin Mandel
Governor

House Bill No. 1329 - Energy Conservation - Plans
AN ACT concerning

Budget and Fiscal Planning - Energy Conservation
Standards

FOR the purpose of requiring that certain plans and specifications include a statement that certain proposed projects meet a certain energy conservation standard; and renumbering.

May 26, 1977

Honorable John Hanson Briscoe
Speaker of the House of Delegates
State House
Annapolis, Maryland 21404

Dear Mr. Speaker:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed House Bill 1329.

This bill amends Article 15A, Section 10, to require that, the preliminary plans and specifications required to accompany any capital project submitted to the General Assembly "certify that the proposed project will meet energy conservation standards at least as stringent as those set forth in the 'energy conservation in new building design' developed by the American Society of Heating, Refrigerating, and Air-conditioning Engineers, Inc. or any similar standard imposed by the Department of
