REVISOR'S NOTE: This section is new language derived without substantive change from Art. 89B, §17(a) and (t).

The present exception as to appointments to the Board of Property Review in Cecil County is deleted as obsolete.

In subsection (c)(1) of this section, new language is added to indicate that a member serves until his successor takes office. This conforms to similar provisions appearing elsewhere in the Code.

As to subsection (d) of this section, present Art. 89B, §17(a) appears to be internally inconsistent: on the one hand, it permits the "appointing authority" - i.e., the judges of the particular circuit - to set the compensation of a board member; on the other, it requires that this compensation be uniform Statewide. This inconsistency first appeared in Ch. 59, Acts of 1956, and has been carried forward ever since. It is resolved by providing for the determination to be made by the Court of Appeals. This is consistent with the normal administrative power of the Court
