REVISOR'S NOTE: This section is new language that combines the first sentence of Art. 89B, §34(d) and Art. 89B, §34(e)(1).

Subsection (a) of this section has been broadened to include payments to municipalities in light of present Art. 89B, §34(e)(2), which provides for distributions to the "proper officials" of the municipality.

As to the mechanics of distribution under subsection (a) of this section, present Art. 89B, §34(d) provides for distribution by the State Treasurer on "warrants of the Comptroller", while present §38A(a) provides for distribution on "warrants of the State Highway Administration". Similar provisions in other sections of this article dealing with distribution of money do not contain a similar detailed provision; accordingly, the provisions of present §§34(d) and 38A(a) dealing with the mechanics of distribution of highway user revenues are deleted as inconsistent with each other and, in any event, unnecessary.

The only other changes are in style.
