

TERM.

REVISOR'S NOTE: This section presently appears as Art. 41, §208D (a) and (b) - except for the sixth and eighth sentences of present §208D(a), which now appear in §2-204 of this subtitle.

In subsection (b) of this section, the present checklist of areas of particular interest and experience is deleted as unnecessary in light of the broad reference to "fields under the jurisdiction of the Department". This language is patterned after that appearing in §2-503(b) of this title as to members of the Board Review of the Department.

In subsection (c)(1) of this section, new language is added to indicate that a member serves until his successor takes office. This conforms to similar provisions appearing elsewhere in the Code.

The only other changes are in style.

As to the appointment of members of the State Roads Commission, see Title 8, Subtitle 2 of this article.
