REVISOR'S NOTE: This section presently appears as Art. 41, §231N (a) (1) - except for the first sentence, which now appears as §2-302 of this subtitle.

In subsection (b) of this section, present references to the right to vote by the Secretary and the designated alternate are deleted as unnecessary since that right is implicit in their respective authority to serve as members of the Board.

In subsection (b) (1) (iii) of this section, new language is added to indicate that a member serves until his successor takes office. This conforms to similar provisions appearing elsewhere in the Code.
