

The more commonly used term "mobile home" is substituted for "house trailer" as the defined term.

The last clause of item (1) of this section is new language added to clarify that the definition is not intended to apply to a "camping trailer" or a "travel trailer" as defined in §§ 11-106 and 11-170 of this subtitle.

Item (2) of this section is revised to clarify the intended applicability of this definition to present references in Art. 66 1/2 to "office trailers".

The only other changes are in style.
