

In subsection (a) (5) of this section, the dual terms "model" and "year" are substituted for the singular term "model year" to correct an apparent typographical error and to conform to the counterpart provision in §13-104 (b) (2) of this subtitle.

Also, the present reference to "the classification or weight ... {of} the vehicle" is made a separate item (a) (6) to avoid the present implication that the requirement is modified by the phrase "to the extent that the information exists".

The only other changes are in style.

The introductory phrase "{e}xcept as otherwise provided ..." is added to reflect the exceptions set forth in §13-109 of this subtitle, which provides for withholding of delivery under certain circumstances.

The only other changes are in style.
