

derived without substantive change from Art. 41, §208B(e).

In subsection (a) of this section, the present reference to appeals "pursuant to...regulations adopted" by the Secretary is deleted as unnecessary in light of §2-505(b) (2) of this subtitle and the general reference to an appeal "provided by this subtitle".

The last sentence of subsection (c) of this section is substituted for the sentence "{r}eceipt of such complaint shall be promptly acknowledged in writing and a copy transmitted to the Secretary of Transportation". This is done to remove any ambiguity as to which papers are to be sent to the Secretary.

Subsection (g) of this section is revised to clarify that an acting chairman acts "in {the} absence" of the chairman, to provide expressly for the production of documents, and to clarify the manner in which the chairman may "compel" the attendance of witnesses. As revised, the subsection conforms to similar provisions appearing elsewhere in this article; see, e.g., §5-209(c) and (d) of this article.

As to use of the term "unit", see revisor's note to §2-102 of this title.

As to who may appeal a decision of a board of review to the courts, see Board of Examiners of Landscape Architects v. McWilliams, 270 Md. 383 (1973).
