

and to clarify the applicability of this section to counties that do not have a "county treasurer".

The third sentence of present Art. 66 1/2, §3-403.1(d), is deleted as obsolete. That sentence, which dates from 1945, was added to "mandatorily direct" the treasurer of certain specified counties to act as agent in registering Class A vehicles. Since those counties are not otherwise exempt from the mandate of subsection (c) of this section, the sentence is redundant and unnecessary.

The only other changes are in style.

As to temporary registrations, see, also, §13-401 of this title. The Commission is unsure of the exact relationships and relative scope intended for these provisions.
