

THE REGISTRATIONS AND REGISTRATION PLATES OF ALL OTHER CLASSES OF VEHICLES EXPIRE ON APRIL 30 OF EACH SUCCEEDING YEAR.

REVISOR'S NOTE: This section is new language derived from Art. 66 1/2, §3-412(a) and (b).

The last two sentences of present Art. 66 1/2, §3-412(a), relating to general substitute plates, are transferred to §13-410(d) of this subtitle.

Present §3-412(c), relating to the special fee for "dump service registration" vehicles for the license year 1975 - 76, is deleted as now obsolete.

In subsection (c) of this section, "May 31" is substituted for the present "30th day of May" to correct an apparently inadvertent error and conform this expiration date to that of all others; i.e., on the last day of a given month.

The only other changes are in style.

As to the referenced provision for validation tabs, see §13-410(d) of this subtitle.
