

REVISOR'S NOTE: This subsection presently appears as the first sentence of Art. 94A, §1(c).

Present references to the provisions of Arts. 89B and 62B "of the Code" have been revised to indicate that the former provisions of the Code "of 1957" are intended, rather than the new, revised Code. These provisions have been decodified and now appear in Sections 2 and 5 of Ch. 608, Acts of 1976; in this regard, see General Revisor's Note to this title.

The second sentence of present Art. 94A, §1(c), which defines "revenue bonds of prior issues", is deleted as unnecessary for purposes of this title. That definition now appears in §4-101(g) of this article.

The only other changes are in style.

REVISOR'S NOTE: This subsection presently appears as Art. 94A, §1(e).

Present references to "transportation facilities projects" are deleted as unnecessary for purposes of this title; in this regard, see, also, revisor's note to this section, and §4-101(c) of this article.

The only other changes are in style.
