

substituted for the present, narrow reference to a violation by "any person licensed under this {subtitle}". Many of the provisions in this subtitle apply to persons who are subject to licensing as well as to persons already licensed.

Also, the reference to the right of injured persons to recover "court costs" is deleted as unnecessary.

The only other changes are in style.

GENERAL REVISOR'S NOTE:

In revising this subtitle, the Commission to Revise the Annotated Code deleted present Art. 66 1/2, §5-701, as obsolete and unnecessary. That section needlessly duplicates the Maryland "long-arm" statutes and the Maryland Rules, which adequately provide for the jurisdiction of the Maryland courts over persons subject to this subtitle and for service of process. In this regard, see the revisor's note to §15-202 of this subtitle.

As detailed in various of the revisor's notes in this subtitle, the substance of several of the provisions of present Art. 66 1/2, Subtitle 5, Part VII ("Manufacturers, Distributors, and Factory Branches") have been incorporated in the standard, general provisions of Subtitle 1 of this title and do not require repetition in this subtitle. See, also, General Revisor's Note to Subtitle 1 of this title.
