

§5-102.

Items (2), (3), and (4) of this section are revised to conform to the language of §15-303 of this subtitle. Unlike the source law to this section, §15-303 indicates that, although application may be "for" a partnership or corporation, the applicants are the partners or officers of the entity, not the partnership or corporation, itself.

In item (3) of this section, the reference to an application by a corporate partner for a partnership is added; see revisor's note to §15-303(b) of this subtitle.

The following provisions are deleted as already covered by the standard provisions of §15-102 of this title: present Art. 66 1/2, §5-102(a), which governs the form of application; §5-102(b) and (c), requiring information as to partners or principal officers; §5-102(d), which governs certification and signing of an application; and §5-102(e), which governs the filing of the license fee.
