REVISOR'S NOTE: This section presently appears as Art. 66 1/2, § 5-402, as that section applies to dealers. As to vehicle salesmen, see §15-410 of this title.

In subsection (c) of this section, the term "vehicle" is substituted for present references to a "motor vehicle" to conform to the usage throughout this subtitle and to correct an apparently inadvertent error.

The present reference to the violation of this section as a "misdemeanor" is deleted as unnecessary in light of §27-101 of this article.

The only other changes are in style.

See, also, §12-606 of the Commercial Law Article, which provides for the disclosure of additional information in the retail installment sale of a motor vehicle.
