

In subsection (b) of this section, the reference to "cash proceeds of ... bonds, notes, or other evidences of obligation" is added for clarity; the phrase is derived, in part, from the last sentence of present Art. 94A, §4(b), which is deleted as now unnecessary. Also, the words "but not by way of limitation" are deleted as unnecessary in light of the definition of "including" in §1-101 of this article.

The substantive provisions of present §11(b) and (b-1), which deal with various accounts in the Transportation Trust Fund, are placed with the substantive law to which they pertain as §§8-402 and 16-508 of this article, respectively. Nevertheless, a reference to them is inserted in subsection (c) (2) of this section.

Throughout the revised section, present provisions that relate to the Unsatisfied Claim and Judgment Fund have been deleted. The substantive provisions relating to that fund were repealed by Ch. 73, Acts of 1972.

In subsection (d) of this section, the present phrase "from time to time" and the present list of examples of lawful uses of the fund are deleted as superfluous.

The second sentence of present §11(a), which relates to the required transfer of specified funds to the Transportation Trust Fund, is deleted as obsolete since that transfer took place as of July 1, 1971.

The only other changes are in style.
