

(2) THE REGISTRATION OF EACH VEHICLE OWNED BY THE PERSON.

REVISOR'S NOTE: This section is new language derived from Art. 66 1/2, §10-109.

The section has been revised to clarify the intent that it apply only to the report required by §20-107 of this title and not, for example, the report required by §20-104(b), which does not relate to the Administration as does this section.

In item (1) of this section, the present reference to a "nonresident's operating privilege" is deleted as unnecessary in light of the broad definition of "license" in §11-128 of this article.

The present express reference to a failure to report as being a "misdemeanor" is deleted as unnecessary in light of §27-101 of this article.

The only other changes are in style.

As to item (1) of this section, see, also, §16-402(a)(9) of this article, which provides for a 5-"point" assessment on failure to report an accident, and §16-404, which generally requires suspension on accumulation of 8 points and revocation on accumulation of 12 points.
