

except the second sentence - and (iv), the last sentence of (b) (3) and Art. 77, §36C(f), (g), and all but the last two sentences of (i).

Subsection (a) of this section is new language added to clarify references to the nine "elected members" and the "student member" since both types of members are elected.

Present Art. 77, §36C(a) (2), which provides for the election of a chairman and vice chairman, is deleted as unnecessary in light of §3-804(a) of this subtitle.

In subsection (f) of this section, present references to specific elections that have been held are deleted as obsolete.

Subsection (f) (1) of this section is revised to provide for the original staggered terms of board members. However, the provision in present Art. 77, §36C(a) (4) (iii) that one third of the board members be elected every 2 years now appears in subsection (f) (1) of this section. This requirement is a mathematical impossibility and corrective legislation is needed.

Subsection (h) of this section is rewritten for clarity. In this regard, see the revisor's note to §3-301 of this title.

In this section and throughout this title, all present references to election procedures including nomination, filing deadlines, filing fees, and provisions for nonpartisan elections are transferred to Art. 33, the Election Code. For a detailed cross-reference table to these provisions, see the General Revisor's Note to this title.

The only other changes are in style.
