

In subsection (c) (1) of this section, new language is added to give a January 1 beginning date for the terms of office of County Board members. This appears to be the statutory intent of this section.

Subsection (d) of this section is rewritten for clarity. In this regard, see the revisor's note to §3-301 of this title.

The last sentence of present Art. 77, §36A(a) (1), which relates to the incumbent board members continuing to January 1, 1975, is deleted as unnecessary.

In this section and throughout this title, all present references to election procedures including nomination, filing deadlines, filing fees, and provisions for nonpartisan elections are transferred to Art. 33, the Election Code. In this regard, present Art. 77, §36A(b) is transferred to Art. 33. For a detailed cross-reference table to these provisions, see the General Revisor's Note to this title.

The only other changes are in style.
