

(D) AN ASSESSMENT OF CHARGES SHALL BE DETERMINED WHEN THE FIRST PAYMENT IS DUE, BASED ON THE PRECEDING CALENDAR YEAR'S DAILY WITHDRAWAL INFORMATION AND SHALL BE UPDATED ANNUALLY.

[8-512.

An assessment shall be determined when the first payment is due. Projections of water withdrawals in determining assessments begin with the most recent year for which data are available. Thereafter, in consultation with the Department, the Authority shall recalculate assessments triennially based on a revised ten-year projection of water withdrawals beginning with the most recent year for which data are available.]

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect July 1, 1978.

Approved April 11, 1978.

CHAPTER 99

(House Bill 185)

AN ACT concerning

Weights and Measures - Dairy Products

FOR the purpose of amending the weights and measures provisions that relate to milk and other fluid dairy products; specifying certain standards of weights and measures; authorizing regulation of receiving, weighing, measuring, sampling, and testing of these products if their payment may be based on the results; requiring licensure of certain persons calibrating certain equipment; ~~increasing certain permit fees;~~ authorizing suspension and revocation of licenses and permits in certain instances; providing certain other penalties for violations; clarifying and adding certain definitions; and generally relating to weighing and measuring of milk and other fluid dairy products.

BY repealing and reenacting, with amendments,
