REVISOR'S NOTE: This section presently appears as Art. 77, §51.

Subsection (a) of this section is new language derived from the exception in present Art. 77, §56D (a).

In subsection (b) of this section, the present reference to the "Maryland Rules of Procedure" is deleted as unnecessary since Title 12 of the Real Property Article requires that the proceeding be conducted under the Maryland Rules.

Also in subsection (b) of this section, the present reference to land required for "the site of a school ... or playground" is deleted as unnecessary since "any school purpose" clearly would include the deleted purposes.

The only other changes are in style.
