

(B) Any such member who received membership service credit for service rendered to the State or to the Maryland Tuberculosis Association under the provisions of this subsection shall pay to the retirement system by a single payment, within whatever period of time as may be determined by the board of trustees, the contributions with interest which the board of trustees determines is due.

[(13)] (12) An employee of the State, who is or becomes a member of the Employees' Retirement System and who at any previous time served as a full-time paid employee of a municipal corporation of this State and who is not entitled to receive service credit for the same period under any other provision of this article, or who is not receiving retirement benefits from any political subdivision or municipal corporation of this State, shall be entitled in the year in which he retires to credit for previous service rendered by him to the municipal corporation upon the payment by him or the municipal corporation or a combination of both of an amount equal to the reserves required to fund the previous service.

[(14)] (13) A member may receive in the year in which he retires service credit in the retirement system for out-of-state public school teaching service, or nonpublic school teaching service up to a maximum of ten years, provided he shall file claim therefor with the board of trustees and shall pay into the retirement system an amount equal to the reserves required to fund the additional allowance for such years of out-of-state or nonpublic school teaching service as he may claim.

[(15)] (14) Any member who was formerly employed on a temporary or emergency basis with the State or a participating municipality, may purchase credit for such service upon payment to the retirement system, in a single payment, with interest to date of payment, the contributions which he would have paid had he been a member of the retirement system but withdrew.

[(16)] (15) Notwithstanding any other provision of this article to the contrary, any member of the State Employees' Retirement System, who has previously been a member of the State Police Retirement System and who has not served the number of years of creditable service required to receive a vested retirement allowance from the State Police System, is entitled to apply for credit for previous service rendered by him to the State. The member may file an application for this credit at any time after separation from the Maryland State Police and shall deposit with the Employees' System the amount of contributions required for this credit, with interest to the date of deposit. The rate of the contributions is that rate which would have been applicable to the member if a member of the Employees' System for the period of the credit. Upon receiving a claim for service credit from the employee, the board of trustees of the Employees' System shall verify the fact of the service credit and the taxable compensation received, and
