

SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND, That section(s) of the Code of Public Local Laws of Maryland be repealed, amended, or enacted to read as follows:

Article 7 - Carroll County

[Sanitary Commission]

WATER, SEWERAGE, AND DRAINAGE SYSTEMS

15-1.

[There is hereby created a public body politic and corporate of the State of Maryland to be known as the Carroll County Sanitary Commission (referred to hereinafter in this subtitle as "the Commission"), which shall be organized and shall have and may exercise the powers and duties conferred by this subtitle. The Commission shall have and may exercise all powers necessary or convenient for carrying out the purposes set forth in this subtitle, including but without limiting the generality of the foregoing, the following:

(1) To have perpetual existence as a corporation.

(2) To sue and be sued, implead and be impleader, complain and defend in all courts.

(3) To adopt and use and alter at will a corporate seal.

(4) Upon the consent of the Board of County Commissioners of Carroll County (hereinafter referred to in this subtitle as the "Board"), to appoint officers, attorneys, accountants, agents, employees and servants, to fix their compensation and to supervise their duties.

(5) To make by-laws for the management and regulation of its affairs.

(6) Upon the consent of the Board, to borrow money and issue bonds, certificates or other evidence of indebtedness thereof, the borrowing of all such money and the issuance of all such bonds being subject to the terms, provisions and specifications hereinafter contained in this subtitle.

(7) Upon the consent of the Board, to establish, extend and maintain water and sewerage systems and drainage facilities in Carroll County other than in any municipal corporation existing on June 1, 1967, and in those areas within one mile of the present corporate limits of any existing municipal corporation or the corporate limits as may hereinafter be established by an existing municipal corporation unless such water and sewerage systems and drainage facilities are approved in accordance with Section
