

principal to be discharged within fifteen years of the date of issue of the bonds.

(5) All unexpended funds remaining from the completed projects authorized under this Act shall be transferred to the Annuity Bond Fund and shall be applied to the debt service requirements of the State. The transfer shall be made one year after the date of the final acceptance of the projects by the State, said date of final acceptance to be certified in writing to the Board of Public Works by the Department of General Services.

(6) Any furniture, fixtures, and/or equipment authorized to be paid for from the sales of the bonds authorized by this Act shall be, where possible, manufactured or produced by the State Use Industries operated by the Division of Correction of the Department of Public Safety and Correctional Services, in accordance with the provisions of Section 681 of Article 27, Annotated Code of Maryland (1976 Replacement Volume and 1977 Supplement).

(7) Except as otherwise provided in this Act, no department, board, commission, agency, or institution specified or named in this Act shall begin any work with funds secured pursuant to the provisions of this Act unless satisfactory assurances are made to the Board of Public Works that the work described in the individual items in this Act can be completed with the funds specified for each such item respectively.

(8) Where federal funds may be available to help accomplish any specific project in this Act, the using department or agency shall seek the allocation of such federal funds to apply to the cost of the particular project. In seeking approval of the Board of Public Works for award of a contract under a specific appropriation under this Act, the using department or agency shall formally advise the Board of Public Works that efforts have been made through proper administrative procedures to obtain such federal funds, and the reason, if any, why the federal funds were not obtained. Federal funds, if they are allocated, shall be used to defray the cost of the approved project, not expand its scope, except in the case of land acquisition projects of the Department of Natural Resources, for State parks and recreation areas. These latter projects may be expanded in scope beyond that proposed in the specific appropriation in this Act, if the addition of federal funds makes this possible; but no project may be expanded beyond the total park acreage or area indicated on the master plan for State parks and recreation areas adopted by the Department of Natural Resources.

(9) Any project listed in Section 1(3) of this Act which has not been contracted for within two years from the effective date of this Act shall be deemed to have been abandoned. To the extent that the loan authorized by this Act has been issued within the two year period, the amount specified herein for any such abandoned project shall be
