Section 13-104(a)

Annotated Code of Maryland

(As enacted by Chapter _____ of the Acts of the General Assembly of 1978)

Preamble

Questions have arisen as to the meaning of §13-104(a) of the Education Article, specifically whether the language of that section subjects the University of Maryland only to those statutory provisions that refer to it by name. The General Assembly does not intend, through code revision, to change the substantive meaning of the law, nor to enlarge or diminish the autonomy of the University of Maryland, and therefore adopts this Act.
