

Whereas, This Clean Community Program has been proven dramatically effective in reducing the amounts of litter in well over 90 cities throughout the United States; and

Whereas, The State of Georgia has recently, officially, endorsed this program pursuant to statewide implementation; and

Whereas, The City of Annapolis, Maryland, being the official state capital and a major tourist center, has adopted and is implementing the Clean Community Systems Program; and

Whereas, This program will greatly aid the city in becoming a better and healthier place to live and work in, both environmentally and aesthetically, by fostering a community effort to reduce litter; and

Whereas, The city government in conjunction with the business and civic communities of Annapolis, as well as the Office of the Maryland Environmental Trust, are currently working towards this goal; and

Whereas, The successful culmination of this program will not only benefit the City of Annapolis, but the entire State of Maryland, by providing a cleaner capital as well as a workable model for numerous municipalities throughout the State to emulate; now, therefore, be it

RESOLVED BY THE GENERAL ASSEMBLY OF MARYLAND, That the General Assembly endorses the City of Annapolis and their Clean Community Systems Program to reduce litter throughout the city; and be it further

RESOLVED, That copies of this Resolution be sent to the Mayor and City Council of Annapolis, Maryland:
