

WHEREAS, Exxon, Inc. inserted a customer warning in its credit billing notices, thus helping to prevent violations and protecting retailers from unfair pressures which would cause them to violate the law; and

WHEREAS, The General Assembly of Maryland believes that notification is extremely beneficial to gasoline retailers and consumers; now, therefore, be it

RESOLVED BY THE GENERAL ASSEMBLY OF MARYLAND, That the State of Maryland respectfully requests the major oil companies of the United States of America to inform their customers of the legal penalties that gasoline station operators face for putting leaded gasoline into automobiles or vehicles that require unleaded fuel; and be it further

RESOLVED, That the State of Maryland respectfully requests that these notices be made and posted in a prominent place within the next 12 months; and be it further

RESOLVED, That copies of this Resolution shall be sent to the following oil corporations:
