No. 37

(House Joint Resolution 86)

A House Joint Resolution concerning

Citizens' Advisory Committee On Fishing, Clamming,  
And Oystering

FOR the purpose of requesting the Department of Natural Resources to form a committee comprised of several members of the Fisheries Administration and several members of local communities who are actively involved in commercial fishing, clamming, and oystering, to discuss the problems arising from the freezing of small creeks and waterways of the State.

WHEREAS, The residents of Maryland derive a great
