Honorable Steny H. Hoyer
President of the Senate
State House
Annapolis, Maryland 21404

Dear Mr. President:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed Senate Bill 439.

This bill directs the Department of General Services to establish standards for life-cycle cost analysis of alternative architectural and engineering designs on all new State buildings, after a certain date.

House Bill 413, which was enacted by the General Assembly and signed by me on May 16, 1978, accomplishes the same purpose.

Therefore it is unnecessary for me to sign Senate Bill 439.

Sincerely,
Blair Lee III
Acting Governor
