

Senate Bill No. 516 - Income Tax - Elderly

AN ACT concerning

Income Tax - Elderly

FOR the purpose of providing a certain subtraction from federal adjusted gross income for State income tax purposes of certain retirement benefits received by certain disabled and elderly persons; providing for the effective date of the Act; and generally relating to the determination of the taxable net income of certain elderly Maryland taxpayers.

May 29, 1978

Honorable Steny H. Hoyer
President of the Senate
State House
Annapolis, Maryland 21404

Dear Mr. President:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed Senate Bill 516.

This Administration bill provides a subtraction from federal adjusted gross income for State income tax purposes of certain retirement benefits received by disabled and elderly persons.

House Bill 849, which was enacted by the General Assembly and signed by me on April 11, 1978, is the companion Administration bill which accomplishes the same purpose.

Therefore it is unnecessary for me to sign Senate Bill 516.

Sincerely,
Blair Lee III
Acting Governor
