Senate Bill No. 1166 - State Documents Law -
Certificates by Administrator

AN ACT concerning

State Documents Law -
Certificates by Administrator

FOR the purpose of providing for the certification that the Maryland Register contains all documents filed by a certain date; and certifying that the Code of Maryland Regulations and each permanent supplement contain all documents effective and codified as of a certain date.

May 29, 1978

Honorable Steny H. Hoyer
President of the Senate
State House
Annapolis, Maryland 21404

Dear Mr. President:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed Senate Bill 1166.

This bill requires that the Maryland Register contain a certification that it contains all regulations and documents codified as of a specific date.

House Bill 1716, which was enacted by the General Assembly and signed by me on May 16, 1978, accomplishes the same purpose.

Therefore it is unnecessary for me to sign Senate Bill 1166.

Sincerely,
Blair Lee III
Acting Governor
