House Bill No. 180 - Automated Dialing Systems

AN ACT concerning

Automated Dialing Systems

FOR the purpose of prohibiting the utilization of an automated dialing or push-button or tone-activated address signaling system for the purpose of soliciting customers or sales.

May 29, 1978

Honorable John Hanson Briscoe  
Speaker of the House of Delegates  
State House  
Annapolis, Maryland 21404

Dear Mr. Speaker:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed House Bill 180.

This bill prohibits the use of an automated dialing or push-button or tone-activated address signaling system for purposes of soliciting sales.

Senate Bill 24, which was enacted by the General Assembly and signed by me on May 16, 1978, accomplishes the same purpose.

Therefore it is unnecessary for me to sign House Bill 180.

Sincerely,  
Blair Lee III  
Acting Governor
