Honorable John Hanson Briscoe
Speaker of the House of Delegates
State House
Annapolis, Maryland 21404

Dear Mr. Speaker:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed House Bill 385.

This bill allows individuals admitted as transfer students to a school of beauty culture or to an apprenticeship program to be enrolled in the school or program pending certification of registration.

As introduced, the bill was intended to facilitate transfers, but the question has been raised as to whether or not the amended bill might place additional burdens on students who seek to transfer to another school. This is a matter which may be handled administratively, and I have instructed the State Board of Cosmetologists to facilitate these transfers. On that basis, the sponsor of the bill has agreed to its veto.

For these reasons, I have decided to veto House Bill 385.

Sincerely,
Blair Lee III
Acting Governor
