

Senate Bill 731 nor House Bill 1168 is signed, it is our opinion that each of the other bills is constitutional and legally sufficient.

Very truly yours,

Honorable John Hanson Briscoe
Speaker of the House of Delegates
State House
Annapolis, Maryland 21404

Dear Mr. Speaker:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed House Bill 865.

This bill permits certain late applications for elderly and disabled real property tax credits.

House Bill 1168, which was enacted by the General Assembly and signed by me on May 2, 1978, creates a new property tax credit program and accomplishes the same purpose of this bill.

In addition, the Attorney General has advised me that House Bill 865 should not be signed if House Bill 1168 is signed into law. A copy of the Opinion of the Attorney General is attached and should be considered a part of this veto message.
