Honorable John Hanson Friscoe
Speaker of the House of Delegates
State House
Annapolis, Maryland 21404

Dear Mr. Speaker:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed House Bill 930.

This bill repeals obsolete provisions increasing State grants to subdivisions.

Senate Bill 400, which was enacted by the General Assembly and signed by me on May 16, 1978, accomplishes the same purpose.

Therefore it is unnecessary for me to sign House Bill 930.

Sincerely,
Blair Lee III
Acting Governor

House Bill No. 948 - State Data Processing - Organization
and Powers

AN ACT concerning

State Data Processing - Organization and Powers

FOR the purpose of clarifying certain control provisions for State data processing of the Department of Budget and Fiscal Planning; requiring competitive acquisition of data processing equipment and services; creating a Data Processing Policy Board and data processing negotiating teams and users' groups, and providing for their powers and duties; excluding certain departments and branches of government from the provisions of this Act; generally relating to State data processing; and making this Act an emergency measure.
