

Senate Bill 735, which was enacted by the General Assembly and signed by me on May 16, 1978, accomplishes the same purpose.

Therefore it is unnecessary for me to sign House Bill 1024.

Sincerely,
Blair Lee III
Acting Governor

House Bill No. 1075 - Department of Human Resources - Board of Review

AN ACT concerning

Department of Human Resources - Board of Review

FOR the purpose of eliminating the Board of Review of the Department of Human Resources; eliminating certain rights of appeal; eliminating certain procedures; and eliminating certain duties of the Board of Review.

May 29, 1978

Honorable John Hanson Briscoe
Speaker of the House of Delegates
State House
Annapolis, Maryland 21404

Dear Mr. Speaker:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed House Bill 1075.

This bill eliminates the Board of Review of the Department of Human Resources.

Senate Bill 385, which was enacted by the General Assembly and signed by me on May 16, 1978, accomplishes the same purpose. The Senate Bill, however, continues the Board's existence in order to hear those cases filed with the Board before the effective date of the Bill. I believe that this is a necessary provision.

Since the purpose of House Bill 1075 is accomplished by the enactment and signing of Senate Bill 385, and for the reason given for preferring the language of Senate Bill 385, I have decided to veto House Bill 1075.
